How the Appleridge Waitlist Works

A warm, maintenance-free lifestyle is in high demand at Appleridge. Joining the waitlist helps ensure that when you're ready, the right apartment will be waiting for you.

Why A Waitlist?

Because our community is often full, joining the waitlist gives you priority consideration when an apartment becomes available that fits your needs.

How to Join

- Complete a short application.
- Let us know your preferred apartment size and style.
- Provide a *risk-free waitlist deposit*.
- Secure your place on the list — and relax knowing you're planning ahead!

While You Wait

- Receive priority updates on availability.
- Stay connected with our team for tours and planning.
- Update your preferences anytime — we’re here to help.

When an Apartment Becomes Available

We will reach out directly. If the timing isn’t right yet, you can simply stay on the waitlist until it is.

No pressure. No rush. Just peace of mind.
